SCHOLARSHIP DETAILS

- This scholarship must be applied to the student's tuition costs only.

- All applications must be submitted to The Academy Admissions Office.

- I understand if I fail to meet the SAP requirements this Scholarship is null and void.

    - "Earned portion / percentage" of the Scholarship is calculated by taking the student's actual completed hours of attendance divided by full contracted hours in course = earned percentage (%) of completion as of the time of withdrawal.
    - $ Amount of Scholarship applied to ledger times earned portion /percentage of completion = the amount of the

scholarship applied on Academy Refund Worksheet as credited toward "paid tuition".
