SCHOLARSHIP DETAILS

- This scholarship is non-transferrable.
- Incomplete applications will not be considered.

- I understand this scholarship will be applied upon meeting SAP requirements at the 300-hour checkpoint.
- I understand if I fail to meet SAP requirements at 300-hours, this Scholarship is null and void.

In the event of withdrawal or termination from the program after the scholarship has been applied to the student's ledger, only the earned portion of the scholarship will be applied to The Academy Refund Worksheet calculation as "paid towards tuition costs".
 - "Earned portion / percentage" of the Scholarship is calculated by taking the student's actual completed hours of attendance divided by full contracted hours in course = earned percentage (%) of completion as of the time of withdrawal.
 - \$ Amount of Scholarship applied to ledger times earned portion /percentage of completion = the amount of the scholarship applied on Academy Refund Worksheet as credited toward "paid tuition".
